REA SON FOR REPURCHASING H SHARES

With firm confidence in the Company's future development prospects and high recognition of the Company's value, and with a view to further safeguarding shareholders' interests and enhancing investor confidence, the Company, after taking into consideration its business development outlook, operating conditions, financial position, future profitability and the recent performance of its H Shares on the secondary market, proposes to repurchase its H Shares. The H Shares repurchased will be held as treasury shares.

REGISTERED CAPITAL

As at the Latest Practicable Date, the registered capital of the Company was RMB585,720,081.75, comprising 441,715,000 H Shares with a nominal value of RMB0.25 each and 1,901,165,327 A Shares with a nominal value of RMB0.25 each.

The Directors are not aware of any consequences which will arise under the Takeovers Code and/or any similar applicable law as a result of any repurchases to be made under the General Mandate. Moreover, the Directors will not make Share repurchase on the Hong Kong Stock Exchange if such repurchase would result in the requirements under Rule 8.08 of the Listing Rules not being complied with.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) have a present intention to sell H Shares to the Company in the event that the General Mandate is approved by the Shareholders.
